SEAM Matching Funds

SEAM needs to raise \$5,973 for the matching program. This amount will turn into a total of \$23,892 after the Metro Council and LG&E match is made. That means SEAM can spend up to \$300 on a family's bill. We are almost there! We still have \$741.43 to go. Individual checks payable to SEAM should mark in the memo line "utility match". Your support is appreciated.

*Any man can be a father.
It takes someone special to be a dad.*

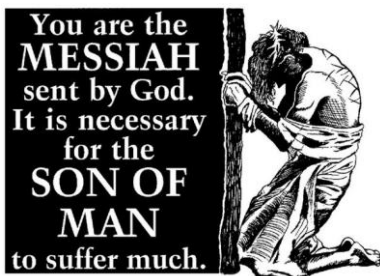

We would like to express our thanks for the wonderful video put together by Chuck and Gina Priddy and everyone on our BFH Committee. It would not have been possible without your pictures and spoken words. From the day the first Mass was celebrated in

the rectory basement to the celebrations in the church we love today, we will pass on our legacy as it has been passed on to us to allow future generations the privilege of worshipping in this hallowed space.
